

SUMMER DAY CAMP

"Tips from the Top"

Hey kids, there are a few tips you need to know as you sign up for Summer Day Camp at our local recreation centers. Campers should always wear comfortable clothes like T-shirts and shorts. Be sure to wear tennis shoes for camp activities. If we're outside, you may want to bring some sunscreen, or a hat to protect your skin. Campers are also asked to bring two snacks and a lunch each day. Please keep your food simple, as refrigerators and microwave ovens are not available at the centers. We do take a break each afternoon, so be sure to bring a blanket, or sleeping bag to use during rest time. Finally, we ask that you always be on your best behavior, so everyone will have a great Summer Day Camp experience! Here's a complete list of all of our local recreation centers. Do you know which recreation center is near your home? To register for Summer Day Camp, please have Mom or Dad call the recreation center in your area. We'll see YOU at Summer Day Camp!
